### **Teresa Dickerson**

Vice President  
and Chief Supply Chain Officer,  
Global Procurement

Teresa Dickerson has served as Vice President and Chief Supply Chain Officer for TE Connectivity since January 2023. In this role, Teresa leads the long-term strategic planning and near-term business initiatives for procurement and logistics functions. She is responsible for strategy execution, as well as securing the appropriate supplier partnerships to optimize performance across procured products and services. She is currently based in Singapore.

Most recently Teresa served as Vice President and Chief Procurement Officer for TE Connectivity where she led the procurement of both Direct and Indirect material. Prior to joining TE, Teresa served as VP Procurement at Stanley Black & Decker where she held leadership positions overseeing Global Commodities, Transportation, and Procurement centers of Excellence. Teresa began her career with Delphi (now Aptiv) where she spent 16 years operating in a variety of roles including Finance, Manufacturing, and Procurement.

Teresa joins the Board of Directors for the TE Foundation in January 2023. She is passionate about supporting organizations which empower their communities and strive to improve diversity and inclusion. She served in executive sponsorship positions for African Heritage employee resource groups in her last two companies.

Teresa earned a Master's Degree in Business Administration from Case Western Reserve University's Weatherhead School of Management in Cleveland, Ohio, and holds a Bachelor's Degree in Management Science from Kent State University.
